PROFESSIONAL SUMMARY

I am a passionate Computer Science & Engineering student with a strong foundation in web development particularly in JAVA .Highly ambition and motivated,I am eager to learn new skills and apply them to solve real-world challenges. My experience as a Internship work with InternPe in JAVA programming and Dev_Dash-min Hackathon participation alsoATVC volunteer coordinator has helped me organizational and communication skills.I am excited to created JAVA programming in Internship and Project Management

Experience

Feb. 2025 – Mar.2025

JAVA Programming

Pune

IntenPe

- Developed and maintained Java-based applications, improving performance and functionality.
- Implemented object-oriented programming (OOP) principles to create efficient and scalable code.
- Participated in Agile development cycles, including daily stand-ups and sprint planning.
- Documented technical processes and solutions for future reference.
- Developed some game 1. Gussing Number , 2.Rock,Paper and Scissor 3.TIC TAC TOE .

Projects

Feb. 2025 – Feb. 2025

Weather-API | HTML-5,CSS,JavaScript,Weather API

- Developed a dynamic weather application that fetches real-time weather data using Weather API.
- Implemented fetch API to retrieve and display weather details such as temperature, humidity, wind speed, and weather conditions.
- Added a search functionality to fetch weather details for any city worldwide.
- Used local storage to store and display the last searched location for better user experience.
- Improved performance by handling API errors and optimizing API request frequency.

Amazon-clone | HTML-5,CSS

Jan.2025 – Jan. 2025

- Developed a responsive e-commerce website replicating Amazon's UI using HTML5 and CSS3.
- Designed an interactive homepage, product pages, and navigation bar similar to Amazon's layout.
- Created a fully functional product listing page with categories and pricing sections.
- Developed a CSS-based hover effect for interactive user engagement on buttons and images.
- Ensured cross-browser compatibility and mobile responsiveness for optimal user experience.

Portfolio | WIX-STUDIO

Feb. 2025 – Feb. 2025

- Integrated 3D animations and interactive elements for a visually engaging user experience.
- Created a customized UI/UX design with smooth navigation and modern aesthetics.
- Implemented scroll-based animations and transitions to enhance interactivity.
- Optimized website for performance, responsiveness, and SEO to improve visibility.
- Integrated a contact form and social media links for better engagement.
- Published and maintained the portfolio on Wix platform with regular updates.

Technical Skills

Languages : Java, Java in DSA, Basic-Python, SQL , HTML/CSS, WIX-STUDIO,
Developer Tools : Git, VS Code, Visual Studio, Eclipse
Tools : AI-Tools,ChatGPT

Education

DBATU University

B.Tech, Computer Science & Engineering

Talegaon,Pune

Nov. 2023 – July 2026

Lahotiya Bhutada High & Junior College

H.S.C
S.S.C

Kondhali,Nagpur

May 2014 – July 2018

Sep. 2018 – June 2020
